

Introducing

New Reclosable Packaging! from Nestlé Health Science

All Tetra Briks® are moving to reclosable Tetra Prisma® across the entire portfolio of products.

- ✓ Easy to Open
- ✓ Convenient Reclosable Cap
- ✓ Comfortable Grip
- ✓ Recycle Cartons with the Cap On

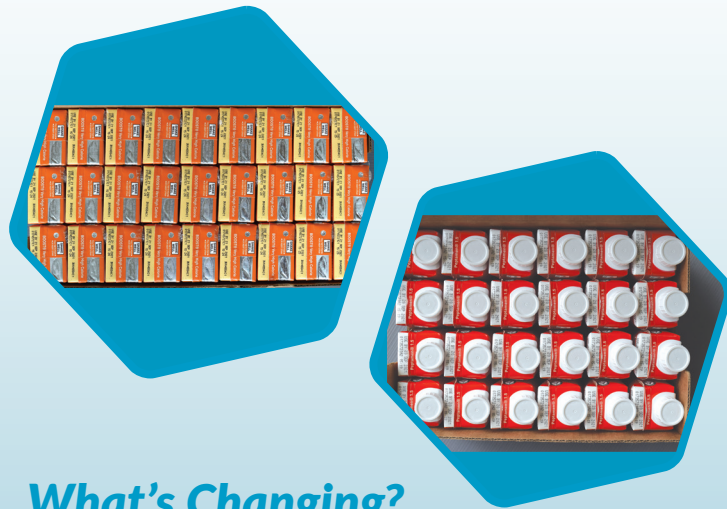

New Tetra Prisma® Cartons with a Reclosable Cap!

- **Convenient Recloseable Cap:**

Makes it easy to open the product and allows for remaining formula to be easily reclosed and stored in the refrigerator for up to 24 hours.

- **Recycle Cartons with Cap On:**

All new packaging will contain the “how2recycle.com” logo, which is a standardized labeling system that clearly helps communicate recycling instructions to the consumer.

What's Changing?

- **Case Pack:**

All cases will go from 27 count to 24 servings per case

- **Case Specifications:**

The case UPC and product codes have changed, along with case/pallet configurations and weights. Please see detailed specification sheet for these details.

- **Removal of Plastic Straws:**

With the change to a reclosable, recyclable cap, it is estimated that 125 million straws will be eliminated on an annual basis.

- **Easy to Grip:**

The prismatic shape fits perfectly in hands of many sizes for a comfortable grip during consumption or pouring.

- **Supporting Sustainable Forestry:**

The Tetra Prisma® is made mainly from paper, a renewable resource, and is available with FSC™ (Forest Stewardship Council™) certified packaging material, ensuring that the wood fiber is sourced from responsibly managed forests and other controlled sources.¹

What's Staying the Same?

- ✓ Same great taste
- ✓ Volume/carton (237 mL/8 fl oz)
- ✓ NDC numbers and each UPC codes*

*Except for OPTIFAST Post Bariatric VHP Drink and BOOST Glucose Control, see back of brochure for details.

Products converting to the Tetra Prisma® packaging with a reclosable cap in 2021. (24 x 8 fl oz cartons/case)

This timeline is estimated and can change based on inventory levels of the Tetra Brik® carton.

Estimated Quarter In-Market	PRODUCT	Product Code	Case UPC Code (GTIN)	EACH UPC	NDC-FORMAT NUMBER
Q1	BOOST GLUCOSE CONTROL® – Rich Chocolate	4390011642	00043900116426	041679157923*	41679-0157-92
