Recommended Age	Adults	Adults	Adults	Adults
Recommended Usage Instructions	2 capsules 1-3 times a day	2 capsules once a day or as directed by a healthcare provider	2 capsules 2 times a day or as directed by a healthcare provider	2 capsules daily before a meal
Herbal Ingredients	Each capsule contains: 90 mg of Peppermint Oil	2 capsules contain: 180 mg of Ultramen® Peppermint Oil (l-Menthol content 83 mg) and 25 mcg (1000 IU) of Vitamin D	2 capsules contain: 50 mg of Caraway Oil and 41.5 mg of l-Menthol	2 capsules contain: 320 mg of Artichoke Extract, 300 mg of Dyglycyrrhizinated Licorice Extract, 150 mg of Marshmallow Extract, 100 mg of Slippery Elm powder
Unique Features	Contains microspheres with a unique triple-layer coating designed to minimize the potential of early release of peppermint oil in the stomach: a common source of heartburn in standard peppermint oil supplements. This patented Site-Specific Targeting (SST®) Technology delivers IBgard® where it is needed in the gut.	Contains microspheres with a unique triple-layer coating designed to minimize the potential of early release of peppermint oil in the stomach: a common source of heartburn in standard peppermint oil supplements. This patented Site-Specific Targeting (SST®) Technology delivers IBgard® where it is needed in the gut. Emerging science suggests that individuals with GI symptoms may benefit from Vitamin D. [†]	Patented Site-Specific Targeting (SST®) Technology delivers FDgard® where it is needed in the gut. Caraway Oil and l-Menthol work together to help relax the digestive system and manage occasional symptoms in the gut. [†]	The herbs used in HBgard® have a history of traditional use in the management of occasional heartburn. These capsules are vegetarian.
Special Considerations	Consult with a healthcare provider before use if pregnant, nursing, taking any medications or have any medical conditions. Discontinue use if symptoms persist or worsen or any adverse reaction occurs.	Consult with a healthcare provider if pregnant, nursing, taking any medications or have any medical conditions.
